Kevin Strauss, Community Engagement Coord., kevin@crowp.net

In addition to the stormwater education videos below, Kevin has created a 10-minute **“Upstream, Downstream...Clean, Clean, Clean”** video that teachers can show to students. The link is on the www.crowp.net website. Kevin is also available to meet with your students and answer questions about the contest via Zoom or Google Hangouts. Contact him at kevin@crowp.net for details.

Stormwater Education Videos

“Stormwater to Drinking Water” North Texas Council of Governments

(Note, in Northfield, we get our drinking water from underground aquifers, not a surface reservoir.)

<https://www.youtube.com/watch?v=XGpwGjYNfX4>

“Where Does Rain Go?” Metro Vancouver

<https://www.youtube.com/watch?v=7crGd6E0Fsk>

“Be the Solution to Stormwater Pollution” Fayetteville, NC

<https://www.youtube.com/watch?v=D5WFMBxfNno>

“Freddy the Fish Teaches About Stormwater” North Central Texas Council of Governments

<https://www.youtube.com/watch?v=jjPfLhJbdc0>

“Only Rain Down the Drain” Garland, TX

<https://www.youtube.com/watch?v=LsBKpArM-v0>

“Allen Stormwater Pollution” City of Allen

<https://www.youtube.com/watch?v=GxjzLG-j1jl>
